June 4, 2020

To the Citizens of Real County;

Real County has its first confirmed COVID-19 case. A male resident from the Leahey area has tested positive. He took all the precautionary measures as in self-quarantining prior to being tested and is still self-quarantined and will continue until completely recovered. This was not a community spread case. Your continued prayers for Real County are greatly appreciated.

Sincerely,

*Bella A. Rubio*  
Bella A. Rubio,  
County Judge
