February 5, 2021

To the Citizens of Real County;

Real County's COVID-19 active cases have consistently remained under 30 for the past (30) days qualifying the County to re-apply for the face covering exemption in accordance with Governor Abbott's Updated Executive Order GA29, which I did on February 01. As of yesterday, Real County has now been declared by the Texas Department of Emergency Management a "Face Covering exemption" County. Please be mindful and respectful of the businesses that request a mask be worn either through a franchise or federal regulation.

Thank you for the continued prayers for the residents of Real County.

Sincerely,

Bella A. Rubio,
County Judge
