If a vacancy occurs in an office on or before December 4, 2019 (5th day before regular filing deadline), a political party's nominee for the unexpired term must be nominated in the 2020 primary elections. (Sec. 202.004(a)).

B. Application Process (Sec. 202.004 and 172.022)

1. Regular deadline: If the vacancy occurred on or before November 29, 2019 (on or before the 10th day before the date of the regular filing deadline) an application for the unexpired term must be filed with the appropriate county or state chair by 6:00 p.m., December 9, 2019 (the regular filing deadline). (Sec. 202.004(b)).

Extended Deadline: Occurs after the 10th day before the date of the regular filing deadline, but on or before the 5th day before the date of the regular filing deadline (on or after November 30, 2019 and on or before December 4, 2019), an application for the unexpired term is subject to an extended filing deadline, December 16, 2019 at 6:00 p.m. (in-person) or 5:00 p.m. by mail. (Sec. 202.004(a), (c)).

Note: The deadline is extended to the next regular business day which is December 16, 2019 due to the **5th day after the regular candidate filing deadline falling on Saturday, December 14, 2019. (Sec. 1.006).**

2. The filing fee or petition requirements for a candidate for an unexpired term are the same as for a candidate for a full term. (Sec. 202.004(d)).
3. Not later than the day before the last day of the filing period, notice must be posted on the party's website or at the location where candidate applications are filed stating the address where the county chair (or secretary of the county executive committee, if any) will be available to accept filings on the last day of the filing period. If the chair and secretary are taking applications at two different locations, both locations must be listed in the notice. (Sec. 172.022).
4. If the filing deadline is extended, then the filing authority must provide notice of the extended filing period within 24 hours of the death, withdrawal, or ineligibility of the existing candidate. The notice must identify the ineligible, deceased, or withdrawn candidate and the office for which the deadline is extended, and must state the extended filing deadline. (Sec. 172.055)

The requirements for the notice of extended filing deadline are outlined in Section I.D of Appendix B.

II. Nomination by Executive Committee (Secs. 202.006, 145.036, and 145.038)

A. Vacancy After December 4, 2019.

If a vacancy occurs in an office after December 4, 2019 (5th day before regular filing deadline), but not later than August 21, 2020, the appropriate state, district, county, or precinct executive committee members who are elected in the 2020 primary elections (or appointed) to a **new** term starting June 15, 2020 may nominate a candidate for the unexpired term after the new party officers take office. (Secs. 1.006, 145.036, 171.022, 202.006).

B. Nominating Procedure (Secs. 145.036, 145.037, 145.038, and 202.006)

The nominating procedure for an unexpired term is the same as that provided for filling a vacancy in a nomination, to the extent it can be made applicable. (Sec. 202.006(b)).

1. To be nominated, a person must fulfill the eligibility requirements for the particular office and receive a favorable vote of a majority of the appropriate executive committee members **voting** at the nominating meeting. For purposes of making a nomination, a majority of the committee's membership constitutes a quorum. For purposes of calculating the residency requirement, count backwards from the date of the nomination (e.g., a candidate for county judge must be a resident of the county for six months prior to the date of nomination). (Sec. 145.036, 141.001(a)(5)(D)).
2. The chair of the executive committee making the nomination must certify in writing the replacement nominee's name for placement on the general election ballot. (Sec. 145.037).

The certificate must:

- a. be signed and acknowledged by the chair;
 - b. include the replacement nominee's name, residence address, and mailing address (if different from the residence address);
 - c. the name of the original nominee;
 - d. state the office sought, including any place number or other distinguishing number;
 - e. state the cause of the vacancy;
 - f. state an identification of the executive committee making the replacement nomination; and
 - g. state the date of the replacement nomination.
3. Not later than 5:00 p.m., August 24, 2020 (71st day before general election day), the certificate must be delivered to the Secretary of State for a statewide or district office, or to the county clerk/elections administrator for a county or precinct office. (Sec. 145.037).
 4. If the certificate is filed by mail, it must be **received** by the filing authority by the deadline. (Sec. 145.037).

C. Failure of Executive Committee to Make Nomination (Sec. 145.038)

If the district executive committee fails to nominate and certify a replacement candidate by the August 24, 2020 deadline, the state executive committee may nominate a candidate to fill the vacancy. The state chair must deliver the replacement nominee's certificate to the Secretary of State not later than 5:00 p.m., August 26, 2020 (69th day before general election day). Again, if the certificate is filed by mail, it must be received by the filing authority by the deadline. (Sec. 145.038).

The Election Code provides for an extended filing deadline (5th day after the regular candidate filing deadline, Saturday, December 14, 2019, extended to December 16, 2019) if the sole candidate for an office withdraws his or her name from the primary election ballot or is declared ineligible to run in the primary election on the date of the regular filing deadline (December 9, 2019) or on the first day after the date of the regular filing deadline (December 10, 2019), and at the time of the withdrawal or declaration of ineligibility no other candidate has made an application that complies with the applicable requirements for the office sought by the withdrawn or ineligible candidate.

D. Notice of Extended Filing Deadline (Sec. 172.055)

II. Extension of Write-in Filing Deadline, Office of County or Precinct Chair.

- A. There is no extended filing deadline for write-in candidates for the offices of county or precinct chair. This type of extension is no longer law. The provisions allowing for an extension of the deadline for precinct chair candidates under certain circumstances were repealed by Senate Bill 100 (2011). (Sec. 171.0231(d)).

Appendix C

I. Replacement Nomination if Vacancy Occurs in the Party's Nomination for the General Election (Secs. 145.035; 145.036)

The procedure for filling a vacancy by nomination of the executive committee is outlined in Section II of Appendix A.

A vacancy in nomination may be filled if the name of the party's nominee will not appear on the November ballot due to:

1. **a death** occurring **after** December 10, 2019 (first day after the date of the regular filing deadline) and on or before August 21, 2020 (74th day before general election). (Secs. 145.035, 145.036, and 172.058(b));
2. **a declaration of ineligibility** occurring after December 10, 2019 (first day after the date of the regular filing deadline) and on or before August 21, 2020 (74th day before general election). (Secs. 172.058(b), 145.035, and 1.006);
3. **a withdrawal due to catastrophic illness**: the withdrawal must occur after December 10, 2019 (first day after the date of the regular filing deadline) and on or before August 21, 2020 (74th day before general election); the illness must have been diagnosed after December 10, 2019 (first day after the date of the regular filing deadline). The illness must be such that the candidate will be permanently and continuously incapacitated and prevented from performing the duties of the office sought. The withdrawal must be accompanied by the certificate of two licensed physicians. If the candidate withdrawing is the only nominee for the office in either party conducting a primary, all political parties with ballot access are entitled to select a replacement nominee. (Secs. 172.052, 145.036(b)(1), 145.036(c), and 1.006);
4. **a withdrawal because the candidate has been elected or appointed to fill a vacancy in another elective office or has become the nominee for another office** after December 10, 2019 (first day after the date of the regular filing deadline) and August 21, 2020 (74th day before general election). If the candidate withdrawing is the only nominee for the office in either party conducting a primary, all political parties with ballot access are entitled to select a replacement nominee (Secs. 145.036(b)(3), 145.036(c), and 1.006);
5. **withdrawal by the only nominated candidate** for the office in either party conducting a primary sought on or before August 21, 2020 (74th day before general election). 6. **a death or ineligibility of runoff primary candidate before runoff primary election day**. If a candidate in the runoff dies or becomes ineligible before runoff election day but wins the runoff election, thereby becoming the party's nominee, the appropriate executive committee may select a replacement nominee. (Sec. 172.060);

NOTE: All political parties with ballot access are entitled to select a replacement nomination in the circumstance of a withdrawal by the only nominated candidate for the office in either party conducting a primary (see I. A. 3-5, above); otherwise, only the party with the deceased, ineligible, or withdrawn candidate is entitled to make a replacement nomination. (Sec. 145.036(c))

B. Nominating Procedure.

1. The nominating procedure for a vacancy in a nomination is prescribed by Sections 145.031 145.039. June 15, 2020 (first day of new party officers' term) is the first day the appropriate committee can meet to make a nomination. (Secs. 145.036(e), 171.022(c))
2. The chair of the appropriate executive committee must deliver the certificate of the replacement nominee's name by 5:00 p.m., August 24, 2020 (71st day before general election), to either the Secretary of State for a statewide or district office, or the county clerk/elections administrator for a county or precinct office, whichever is applicable. If the certificate is filed by mail, it must be **received** by the filing authority by the deadline. (Secs. 145.037(d), (e), and (f))

C. Failure to Appoint a Replacement Nominee.

If the district executive committee fails to appoint a replacement nominee by August 24, 2020 (71st day before general election), the state executive committee may appoint a nominee to fill the vacancy and the state chair must deliver the certificate of the replacement nominee to the Secretary of State by 5:00 p.m., August 26, 2020 (69th day before general election day).
